## **Business Administration and Management BA Programme**

The Faculty of Economics and Business Administration offers a Business Administration and Management Programme developed for students who wish to ensure and develop their positions in the professional arena.

The program is for students who intend to study in English for a Bachelor of Arts in Business and Management, leading to a BA degree in three and a half years. The last semester is spent in internship at a multinational or local company, or at a non-profit organization.

**The degree is accredited and recognised by the European Union and its Member States.**

### **Modules**

- ◆ Economic, methodological and business basic module
- ◆ Social sciences basic module
- ◆ Advanced business module
- ◆ Thesis module

### **Entrance Examination**

Entrance examinations are held between March and June in Szeged, Hungary and at partner organizations in different parts of the world. The decision on acceptance is made on the basis of documents submitted and upon the entrance examination consisting of written tests on Mathematics and English.

### **Admission requirements**

- ◆ Secondary school-leaving certificate
- ◆ Oral and written proficiency in English
- ◆ Applicants must be over the age of 18 in the year of application
